Construction History is an international journal devoted to the study of all aspects of the history of the building and construction, and to the development of construction history as a scholarly discipline. Founded in 1985 it is the only English-language periodical on the subject. The journal is published by Construction History Society, in association with the Chartered Institute of Building.

**Editorial correspondence**, including manuscripts for submission, should be addressed to Christopher Powell, Dept. of Architecture, Cardiff University, Bute Building, King Edward VII Avenue, Cardiff CF10 3NB, United Kingdom. e-mail: powelcg@cardiff.ac.uk Articles should not normally exceed 6000 words in length, including references, although they may be much shorter. Intending contributors must first obtain from the Editor a copy of the 'Notes for Contributors', which lists the main literary conventions to be followed.

**Books for review**, and book reviews, should be sent to Robert Thorne, Institute of Historical Research, Senate House, London, WC1E 7HU, Great Britain.

**Material for abstracting** should be sent to Professor Simon Pepper, School of Architecture and Building Engineering, University of Liverpool, P.O. Box 147, Liverpool L69 3BX, United Kingdom.
