Construction History is an international journal devoted to the study of all aspects of the history of building and construction, and to the development of construction history as a scholarly discipline. Founded in 1985 it is the only English-language periodical on the subject. The journal is published by The Chartered Institute of Building on behalf of the Construction History Society.

**Editorial correspondence**, including manuscripts for submission, should be addressed to Christopher Powell, Welsh School of Architecture, UWCC, Bute Building, King Edward VII Avenue, Cardiff CF1 3AP, United Kingdom. Articles should not normally exceed 6000 words in length, including references, although they may be much shorter. Intending contributors must first obtain from the Editor a copy of the 'Notes for Contributors', which lists the main literary conventions to be followed.

**Books for review**, and book reviews, should be sent to Robert Thorne, Institute of Historical Research, Senate House, London WD1E 7HU, Great Britain.

**Material for abstracting** should be sent to Professor Simon Pepper, School of Architecture and Building Engineering, University of Liverpool, P.O. Box 147, Liverpool L69 3BX, United Kingdom.

**Business correspondence**, including orders and remittances relating to subscriptions, back numbers, offprints and advertisements, should be addressed to the publishers: The Chartered Institute of Building, Englemere, Kings Ride, Ascot, Berkshire SL5 8BJ, United Kingdom.

This journal is published annually. This annual issue constitutes one volume. ISSN 0267-7768.
